**Fifteen Minute Shakespeare:**

This book presents three of Shakespeare's most famous works - Anthony and Cleopatra, Macbeth and Romeo and Juliet, in an abridged form for lively classroom performance. Each can be studied within the space of one hour, and are suitable for both drama and English classes.

**REVIEW** for **Fifteen Minute Shakespeare** In Text Evaluation BOOKENDS LTD

**Fifteen Minute Shakespeare** is a very interesting 'user friendly' text suitable for both senior and junior English and Drama classrooms. Not only would it be a useful resource for introducing Shakespeare to junior classes, but I would also see this text being of great benefit to 'alternative' non exam classes at the senior level where practical exposure to Shakespeare in this abridged form would be far more appropriate than an elaborate academic study of the full text. I am sure that students of all abilities could 'feel good' about Shakespeare - and have a lot of fun in the process using this new release. An added advantage - much easier to carry around, when rehearsing, than the full text! I will certainly be ordering a set.
